

It's Time For Everyone To Prepare For The Flu Season

*Come to the Ho-Ho-Kus
Flu Program
& Get Vaccinated!*

Date: Wednesday October 26, 2016

Time: 4 pm—6 pm

Location: Ho-Ho-Kus Ambulance Corp.

55 Sycamore Avenue Ho-Ho-Kus , NJ

What You Need To Know

- This year we will be offering a Quadrivalent vaccine which protects against four different flu virus strains as well as a High Dose vaccine (if available from manufacturer) for those 65 years of age or older—the higher dose allows for older individuals to develop a better immune response to the flu virus. The cost is \$35 for the High Dose vaccine for those not covered by Medicare.
- Regular Medicare participants must bring their Medicare Part B card for us to bill Medicare.
- The vaccine costs \$25, we do not accept insurance (cash/check only, no credit cards). This cost also applies to those who have a Medicare HMO (Medicare Advantage).
- Children between the ages of 3 & 17 can be vaccinated only if a parent or guardian is present.
- Some children between the ages of 3 and 8 will need to receive a second dose, if this is their first time receiving the flu vaccination.
- The vaccine for children is Preservative Free
- If you are pregnant, please bring a note from your obstetrician.
