

BOROUGH OF HO-HO-KUS  
SHADE TREE COMMISSION  
AGENDA  
June 13, 2018

AGENDA:

- OPEN PUBLIC MEETING STATEMENT:
  - ROLL CALL:
  - APPROVAL OF MINUTES: May
- 

- OLD BUSINESS:

- Correspondence from HHK resident Mary Ryan regarding planted trees downtown that are not centered inside well.

- NEW BUSINESS:

- 47 Arbor Dr. – Construction permits filed. House will be demolished and one new single family home built.
- 51 Arbor Dr. – Residents received pruning in 2017. Residents contacted STC in May 2018 to remove trees after our last storm.
- 841 Bernard Pl. Neighbor claims the work recently done by PSE&G damaged tree when cutting roots and would like to have an inspection done by STC over safety concerns.
- 56 Brandywine Rd. – Complaint came in from **48 Brandywine** stating that tree limbs from 56 Brandywine are hanging over their driveway. They feel that the branches can fall at any time damaging their property or hurting pedestrians. Both residence were inspected by Commissioner K. Mitchell and reported back “the tree in question is not in the Borough’s ROW”.
- 27 Carlton Ave. – Residents will be doing repairs to their driveway and would like ST to inspect all trees on property for their integrity.
- 823 East Saddle River Rd. – Residents contacted ST in 2017 and asked if two dead trees can be removed. Request could not be honored in 2017 due to time restraint. Residents are asking again to have the trees removed this year.

- 31 Elmwood Ave. Residents are asking for one tree to be pruned. Residents claim the huge tree poses danger especially with heavy winds and rain.
- 149 N Franklin Turnpike – For review from the Commission.
- 6 Pitcairn Ave. – Residents claim they have been asking for pruning for 5 years.
- 16 Pitcairn Ave. – STC had one tree removed on property by Arrow Tree Service in May 2018. Tree stump remains. Residents would like to know when stump would be removed.
- 18 Pitcairn – Residents would like to have hanging and dead branches removed over their driveway. Residents claim that branches fall on their cars causing damages.
- 6 Riverview Dr. – Residents filed a permit to have two Pine trees removed at homeowner's expense.
